Even more partnering**ONE**[®] hours than ever before!

For 2018, we have **doubled** the number of networking hours with partneringONE[®] for a total of **20+ hours** to allow you even more time to meet with potential partners. That's twice as much time to identify and qualify technology leads and close the deal that expands your product lifecycle.

WHAT TO EXPECT IN 2018

New to the Program

- Connected Health as it relates to Drug Delivery
- E-Health and smart drug technologies

Top Drug Delivery Technologies to Watch

- Where companies share their novel drug delivery and drug device technologies in an intimate showcase setting. Learn about innovative research findings, successful business models, unique service propositions, creative business strategies, and more.
- Already confirmed presentations from:
 - Stevanato Group
 - Credence MedSystems
 - Portal Instruments
 - Haselmeier

Posters

Present a poster in the Poster and Exhibit Hall and derive more value from attending. Share your novel research with your peers and learn from others as well. (Separate fee required to present.)
