

## Recommended package to Create Artwork

Adobe CC Illustrator

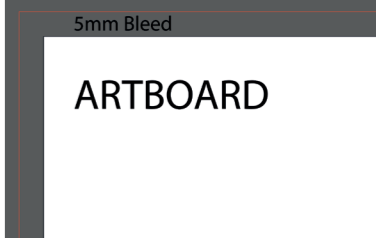

Adobe CC Indesign

Our Workflows are based on Trimbox sizes  
Please do not save with Tickmarks/printer marks

- **Document Size**  
Artwork Documents should be setup at required 10% size where possible with 5mm Bleed

If Artwork is to be over a multi panel display please supply  
Artwork in one piece rather than split panels.

- **Resolution**  
Large/Grand format printing generally requires a resolution 100dpi - 130dpi final size  
At 10% Scale this will be 1000dpi - 1300dpi  
This is approximately 60MB per square metre<sup>2</sup>

## 3000mm x 2000mm Stand Half wall Side walls Each Exhibit Ordered Includes:

- **3000mm x 2000mm Structure**
- **Wastebasket (1)**
- **Standard Chairs (2)**
- **(1) small circular table**
- **13-amp Outlet (1)**
- **Fascia Name Plate**
- **High Counter Locked Door Storage**
